	People: broaden your friends' network (Android app prototype)	
2015	Training	NED School of English(Dublin)
2014	Project Move for the future	Malvern House college (Dublin)

Languages

- Italian (mother tongue)
- English B2 level: Cambridge FCE obtained in 2016 and confirmed at the Padua University.

Communication skills

Good competences derived from team working in a marketing agency, from team working projects at university and from an Instagram automation agency managed with some friends.

Other

I developed other scrapers for the University of Padua, and fixed a PWA application originally developed to detect possible dyslexias. I worked for Matteo Gracis to manage the NoBufale.it newsletters, and with the movement Students against Green Pass in Padua. Still involved with both of the groups.

Authorization

I authorize the processing of personal data contained in my curriculum vitae based on art. 13 of Legislative Decree 196/2003 and art. 13 GDPR 679/16.
